- **Mason Market:** Developed a full-stack campus marketplace from end-to-end to enable student-to-student transactions and real-time listings using Next.js, Supabase, and Tailwind CSS, leveraging Claude AI and Cursor throughout the build.
- **Responsible Machine Learning Capstone:** Quantified fairness gaps across demographic subgroups using adverse impact ratio and false positive/negative rates, and recommended mitigations to support responsible model deployment.

EXPERIENCE

VACO

Fairfax, VA / Remote

Content Analyst

November 2024 – August 2025

- Reduced content review time by 30% by redesigning the content tagging workflow in collaboration with analysts, QA, and operations teams.
- Maintained zero compliance violations across 5,000+ digital ads per batch by managing data imports/exports, validating records, and applying regulatory requirements.
- Processed 120+ queries and keywords daily while sustaining 90%+ content accuracy, applying client guidelines, industry standards, and structured quality-control processes.

INTO MASON

Fairfax, VA

Enrollment Projection Tool Intern

August 2023 – August 2024

- Improved enrollment projection accuracy by 15% by building a Python forecasting workflow that collected, cleaned, and validated 10 years of historical student enrollment data.
- Cut recurring reporting workload by 50% (~5 hours saved weekly) by automating manual data preparation pipelines with Python and pandas.
- Delivered recurring trend reports and Matplotlib visualizations to 5 cross-functional teams, including marketing and enrollment, informing data-driven recruitment and enrollment planning decisions.

SALLIE MAE

Newcastle, DE / Remote

Credit Bureau Reporting Intern

June 2023 – August 2023

- Maintained 99%+ data accuracy across approximately 6.5 million customer records, evidenced by industry-leading low reject and dispute rates, by monitoring reporting controls and flagging faulty data trends.
- Identified and documented 100+ reporting exceptions weekly using SQL, flagging illogical FCRA scenarios and updating exception-tracking databases across four national credit bureaus.
- Reconciled 20+ account-level records daily against data reported to Equifax, TransUnion, Experian, and Innovis, ensuring daily reporting accuracy and KPI compliance.

LEADERSHIP

KOREAN INTERNATIONAL STUDENT ASSOCIATION

Fairfax, VA

President / Advisor

August 2021 – August 2023

- Grew membership from 12 to 75+ students as President, leading event logistics, member communication, and outreach across a two-year tenure.
- Organized 2+ cultural, networking, and career events per semester with 30+ attendees each, in collaboration with the Embassy and Consulate of Korea, and advised successor leaders to ensure organizational continuity.
